

Harwich, Her Hometown

Sung by Andrea Cunningham

There's a friendly town in Essex
That's a major shipping port,
It boasts a listed theatre
Lighthouses and a fort,
But there's one star attraction
That's the best for miles around

In Harwich, Harwich, that's her hometown
Harwich, Harwich, that's her hometown

Towering there by the Ha'penny Pier
Is a source of local pride;
She turns all heads
For she's dressed in red
And the lady rides the tide.
Her number's LV18
And she wears a lantern crown

In Harwich, Harwich, that's her hometown
Harwich, Harwich, that's her hometown

When it comes to lightships
She was last to guard the sea.
The Pharos Trust maintains her
And preserves her history.
Mi Amigo's raising funds
For this vessel of renown

In Harwich, Harwich, that's her hometown
Harwich, Harwich, that's her hometown
